

As the current chair of the 11th District, I have experience in the workings of the district and can be an asset to a mostly new board of officers. I am a planner, and the position of first vice chair includes planning the convention and the wonderful fall gala each year. I look forward to making those events very successful. I have served as county chair (Caldwell), district 1st Vice chair and secretary (10th), SEC member, and candidate for NC Senate (2010). I would like to continue fighting for the causes that matter and building a bigger and stronger 11th by reaching farther out into our large district. The rural counties need a bigger voice and a stronger incentive to be involved. Thank you for your support, and I look forward to serving you!
