

Karen Albig Smith, Candidate for NC District 11 Secretary

After six years as Third Vice Chair I found it difficult to discontinue my service to our District. As Secretary I can continue to engage our counties and contribute to the work our teams have built here in Western North Carolina. Admittedly the workload as Secretary will be less demanding than when I served as Third Vice, but I am happy about that. And I am also happy to be able to work with this phenomenal team of candidates for the next two years. I hope I can earn your

support to continue serving the District 11 Officer Board.

My goals for the next two years are to work with our executive team to get our US Congressional Candidate to victory and service in the U.S. House. I would like to triple our subscribers to the District 11 news. I would hope to build an understanding not only with our western counties but with the state party to see districts are relevant, that we provide valuable support to our counties and can serve a meaningful purpose in the party structure. I also want to continue working to lift up the voice of our rural counties. All our voices need to be heard.

I look forward to your support of my candidacy.
